

Hong Kong professional Tour Guide General Union

Questionnaire on Tour Guide Practice

Dear Members :

Our profession was being affected by recent negative news; the Union is going to collect update information from our members on their practices so that we can provide a clearer picture to our Government who has expressed their will to regulate the Tour Guides by legislation.

Please complete the questionnaire below and return to the Union as soon as possible. The Union will fight for our right but we need you support. Thank you.
